

Crabs Adjust Humidity - Vol Three

I had Vol's 1+2, so when i saw #3 come out, i had to have it! i LOVE these expansion packs. Word of advice - BUY DIRECT FROM VAMPIRE SQUID GAMES! They add such a personal touch to the order, it's totally worth it! AND! you're supporting a small business when you order through them. i Bought Vol's 1+2 through them and didnt for Vol 3. I wish i had!!!

If you love the original Cards Against Humanity, that this (and the other two expansion sets from Crabs Adjust Humidity) are excellent expansion sets.GET ALL THREE and I will order any other expansion sets they put out. Especially if you play frequently, this way you just have many cards to play with. I will get any other sets they come out with. But I have the main game, all four expansions out out by the game publishers and the three put out by CRABS!!!! My friends never realized the difference until we had been playing for three hours.

I have every official pack and every Crabs pack. They add an extra punch to the game that makes it that much more amusing. See all 93 customer reviews...

Product Details Sales Rank: #5008 in Toys & Games Brand: Vampire Squid Cards Model: CAH03 Dimensions: 3.50 h x 1.50 w x 2.50 l,39 pounds Features You need to own Cards Against Humanity to use this expansion Professionally printed on linen-finish, casino-quality cards Includes: 80 white cards, 32 black cards 100% compatible with Cards Against Humanity Now legal in all fifty states and the District of Columbia, Use only as directed

Product Description History doesn't have a great record when it comes to third editions. Notable examples of how things go wrong include The Hangover Part III, the Third Reich and my mother's third child, Stephen. Despite all that, with Crabs Adjust Humidity: Volume Three we're yet again casting aside our filthy metaphorical undergarments in order to expose the twisted, glistening undersides of our damaged psyches. That's right, we've brought you another 112 cards so ill-advised, acting them out could get you thrown in federal prison. Just like Stephen. Don't try to play this without Cards Against Humanity. It won't work. Cards Against Humanity is a trademark of Cards Against Humanity LLC and is completely unaffiliated with this game or its publisher.
